SUBJECT: Hernandez, Ranferi
Docket No.: 7:14-CR-62-1BO
Early Termination Request
TO: The Honorable Terrence W. Boyle
U.S. District Judge

The above-referenced defendant appeared before the court on March 25, 2015, for the offense of Possess With Intent to Distribute 50 Grams or More of a Mixture or Substance Containing a Detectable Amount of Methamphetamine, in violation of 21 U.S.C. § 841(a)(1). Hernandez was sentenced to 60 months of imprisonment, with a 5-year term of supervised release to follow. The defendant was released to supervision on September 21, 2016. He paid \$50 toward the \$100 special assessment and remained crime-free. The defendant also maintained gainful employment; however, on March 22, 2017, Hernandez suffered an accident at work that caused an acute brain injury. Since his injury, the defendant has remained hospitalized at a post-acute rehabilitation center and will not be able to function independently for the remainder of his life, according to his nurse case manager. Accordingly, it is recommended that Hernandez be considered for early termination. The United States Attorney's Office was contacted and did not object to the recommendation.

Should the court concur with this recommendation, please execute the enclosed Order Terminating Supervision. Should you have any questions regarding this matter, I can be reached at 252-830-2342.
